**OFFICE CLEANING
WITH A DIFFERENCE**

THE NAME TO TRUST FOR OFFICE CLEANING

We pride ourselves on providing a professional, reliable service at realistic rates, which means our clients receive a great cleaning service as well as peace of mind and value for money.

CLEANING MANAGEMENT EXPERTISE

With more than 30 years experience we have established a reputation in the cleaning industry which is still growing fast. Our regional offices serve over 2000 clients.

This reputation is based on our knowledge of the industry created by our innovative system of motivating and rewarding the people who work with us. This not only guarantees excellent performance and service reliability, but also ensures that most of the problems normally associated with traditional cleaning companies are removed.

A BESPOKE APPROACH

ProCare responds to the individual requirements of every client. Initially we visit the premises and conduct a detailed survey. This enables us to:

- Clearly identify clients individual needs
- Produce a personalised cleaning proposal
- Prepare a detailed work schedule
- Select suitable operatives

WIDE RANGE OF SERVICES

In addition to a first class cleaning service ProCare also offers a wide range of related services to their clients.

- Carpet and upholstery cleaning
- Window cleaning
- Floor maintenance
- Graffiti removal
- Dust control matting
- Computer cleaning
- Telephone sterilisation

Our objective is to provide service reliability so that our clients can be free to concentrate on their core business activities.

DISCOVER THE DIFFERENCE

To ensure you receive a reliable and professional service at realistic rates, simply call your local office and arrange to meet with one of our experienced representatives.

THE SERVICE COMMITMENT

We have experienced local staff to oversee the administration of each contract maintaining regular customer liaison. This enables us to react quickly to any particular need which arises.
